

# Up to 5,000 Hours of Certified Tread Wear Performance

Trelleborg Tires now offers professional farmers added value and peace of mind: up to **5,000 hours of certified tread wear performance** on selected rear radial tractor tires in the following ranges:

- ✓ **TM1060**
- ✓ **TM900 ProgressiveTraction®**
- ✓ **TM1000 ProgressiveTraction®**
- ✓ **TM800 ProgressiveTraction®**
- ✓ **TM800 PowerFlex**

If your registered tire wears down before reaching 5,000 hours (defined as reaching 20% of its original tread depth), you will receive a credit for the unused hours, which you can use toward the purchase of a new Trelleborg tire.

Register now: [premiumcare.trelleborg-tires.com](https://premiumcare.trelleborg-tires.com)

## How to Join

1. Purchase an eligible Trelleborg rear tire - either factory-fitted on a new tractor or purchased separately.
2. Register it within 30 days of purchase at [premiumcare.trelleborg-tires.com](https://premiumcare.trelleborg-tires.com), providing all required information.
3. After completing the registration, you will receive a performance certificate directly in your Premium Care account.

## How to Credit Works

If your tire wears down to below 20% of its original tread depth before reaching 5,000 hours, visit an authorized Trelleborg Tires dealer with:

- your performance certificate
- a recent photo of the tractor's hour meter

The dealer will calculate a credit based on the remaining hours, using the original purchase price of the tire as a reference.

### Examples:

- If 200 hours remain: 4% credit
- If 500 hours remain: 10% credit

This credit is valid only for the same tire size and model, and it will be applied through the authorized dealer.

Rear tires are subject to the highest levels of stress during operation, handling the majority of traction and load-bearing work. Their performance is essential to machine stability, efficiency, and above all, long-lasting productivity. That is why the performance warranty is specifically applied to rear tires, where superior traction and tire life have the greatest impact. This targeted approach reflects our commitment to supporting your work where it matters most. For best performance, always follow the use and maintenance recommendations provided in the Trelleborg Technical Manual.

Valid for tires purchased from July 1, 2025
